#ENHANCE Challenge

● CHALLENGE 1

DIVERSITY AND INCLUSION
OF STUDENTS WITH FEWER
OPPORTUNITIES

CHALLENGE 2 ●

USE OF ARTIFICIAL
INTELLIGENCE IN UNIVERSITY
ADMINISTRATION

The ENHANCE Alliance launches two challenges to foster diversity and inclusion amongst students of higher education institutions and to find innovative ways to apply AI for university administration

WHAT'S ON?

International hybrid teams' compete against each other for the most innovative ideas on the topics proposed by each challenge.

WHO CAN APPLY?

Students, academic and administrative staff from the ENHANCE member universities are invited to participate. Those include...

Norwegian University of Science
and Technology

Technische Universität Berlin

Politecnico di Milano

Chalmers University of Technology

Universitat Politècnica de València

RWTH Aachen University and
Warsaw University of Technology

HOW DOES IT WORK?

● PHASE 0 28 April 2022

TEAM UP session, find your team to start the competition.

● PHASE 1 5-6 May 2022

Up to 210 virtual participants connect online through Slack and Zoom to interact, learn, and develop innovative ideas.

● PHASE 2 24-25 May 2022

10 finalist teams will meet in València, to shape and pitch their ideas to an international jury.

HOW WILL I BENEFIT?

Gain team experience in an international and interdisciplinary environment, including 34 hours of training (3.4 ECTS)

You can become one of the 6 winning teams funded with up to 35.000 euros.

Semifinalists will get a budget for travel expenses to València and participate in the final, presenting their ideas to an international jury.

Each winning team will be rewarded with an incubator programme

2-day training and mentorship at the Norwegian University of Science and Technology (Challenge 1) and Universitat Politècnica de València (Challenge 2) as well as travel and accommodation.

**ONLY 210 SEATS
ARE AVAILABLE!**
